

OFFER

10% until 30th of June

for all sports exhaust systems and Selected Sound®

A joy to the ear, a hallmark and a quest in one: HEICO SPORTIV sport exhaust systems. Discreet and cultivated at low engine revs, vigorous and sporty when power is needed. An entrancing sound experience! And when that's not enough, Selected Sound® can notch up the intensity further at the push of a button.

Selected Sound® - Key features and benefits:

- **Legal:** Selected Sound® is delivered with EC approval complying with the StVZO. The operating permit of the vehicle remains unchanged and no entry is required.
- **Quality:** All components are designed and developed in-house. All made in Germany to the highest standards.
- **Guarantee:** 60 months / max. 150.000 km from first registration*
- **Sound:** Authentic V8 sound
- **Experience:** Acoustically harmonized to engine load, speed and acceleration.
- **Perfectly integrated:** can be switched on and off via drive mode or auto start / stop switch
- **Installation:** "Plug-and-Ride" - no drilling or welding necessary

* in accordance with the HEICO SPORTIV [terms of guarantee](#)

Prices and specifications can be found on our homepage by selecting the model, then exhaust systems.

Available directly or from any Volvo dealer.

Offer for retail customers valid until 30th of June 2018.
